The department ensured optimum infrastructure facility to address the contingencies of COVID-19 pandemic disrupted synchronous learning. The institution prepared special timetable for on-line classes for the completion of syllabus within the stipulated time. The faculty members and students were trained and educated about e-platform after holding online sessions for effective interaction with the students. The faculty members have used various learning management systems like Google classroom, MS team, and also meeting Apps like Zoom, Google meet and other platforms to arrange regular sessions for each subject so as to enable the students to have regular touch with the concerned subjects and faculty members. On-line assignments and presentations were also arranged for clarification of doubts of students in their subjects. The internal assessment and evaluation process is also conducted on online basis. Teaching notes in PDF format, video recordings, and Power Point presentations were also given to the students immediately after each day's class. The examinations were conducted in conjugation with Microsoft Teams meeting and Google meet. The tutorials on Microsoft Teams were enriched with links from YouTube, MOOCs, and other references.
